

Happy July Montana Jaycees

Welcome to the 3rd Quarter already. And our busy season as volunteers in our communities. The first half of our year has flown by. And things are looking good as Montana Jaycees. We are down 13 members overall as a state. I know we can get that back!!! You love the Jaycees, remember to tell people why and make sure those that have already joined are active. YOU make the difference. As an active member, you have to take the time to make sure that Members Matter! And if they know that you appreciate them and need them, they will show up. And come back. And help you reach your goals.

The state is excited to announce that our Election Conference will be held in Sidney, MT on October 6th & 7th! Registration will be \$40 until September 15th and \$50 after that. Child registration will be \$50 and will only be accepted until September 5th so that childcare arrangements can be made. Remember that this conference will be training based. If you have any suggestions for training that you would like to attend or give please let me know. We will have a schedule out to you before Registration Deadline. We will work diligently to make your registration, hotel fees and time worth it. We want the best for you and your experience as we try to make ourselves and our communities better.

I would like to be invited into your communities to help with your events. Please invite me!!! I have a handsome chauffeur that is just itching to drive me to your part of Montana. I truly do want to be there. I want to see all of your good work in action and I want to help you do it. I can't do that if I don't know where to be and when to be there. I am excited to join the Central MT Jaycees at their fair and work the beer gardens at the end of July and I can't wait to attend the 40th annual Demo Derby in Sidney in the middle of August. You can email me an invite at bridgetdboehm@gmail.com or call/text me at 406-781-9130.

Let's make Quarter 3 the best one yet!

In Jaycees,

Bridget

We Believe

*That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That Earth's great treasure lies in human personality;
And that service to humanity is best work of life!*
